It is important to note that all of the items listed above, are just a small example of some of the issues required to be addressed to ensure a health and safe work place. For more information, we recommend close scrutiny and adherence to all relevant documentation found under the umbrella of the OHS Act 2004 (Vic); including but not limited to the Occupational Health and Safety Regulations 2007 (Vic) and various WorkSafe Victorian approved Industry Standards and Australian Standards; standards acknowledged and recognized under the Victorian OHS legislative framework. Failure to address and comply with any of these issues may result in a breach of OHS legislation.
